Adventist/FPMG Physicians/Practices in Tri-County Area:

*(First table includes the tri-county area of Orlando – Orange, Seminole & Osceola Counties
Lake, Pasco, Volusia are included at the end.)*

These physicians are expected to refer within the Adventist owned networks. **If you refer one of your patients to any of these physicians or practices, please:**

1. Inform your patient that they are about to enter a self-referring network and encourage them to always ask for an option of an independent physician or service for any referrals that they may be given. They can check back with you if they are unsure.
2. If **you** refer to a physician on this list, give your own patients an option of an independent physician or service as well.
3. If you know any physicians that should be added or removed from this list, please contact me at: dawn@ethicalhealthpartnerships.org . I will keep the most current version online at www.ethicalhealthpartnerships.org/Adventistphysicians.html
